Discovering these tried and tested tools will not only strengthen our relationship with him but will bring us joy, contentment, growth and transformation. With warmth and encouragement, Amy Boucher Pye takes us through seven ways to pray to God: praying with the Bible, receiving and extending forgiveness, practicing God's presence, listening prayer, the prayer of lament, praying with the gospels imaginatively and the prayer of examen. Guiding us through their history, she shows us how easily we can make these prayer practices part of our lives and use them to grow closer to God. Along with prayer exercises to help us engage directly with God, there are questions for individual reflection or small-group discussion, making *Seven Ways to Pray* perfect to use as a family, in churches or with friends. This is a book for anyone who has ever wondered how to pray or is looking for ways to revitalise their prayer lives. It will give you an understanding of some of the oldest prayer practices of Christianity, and equip you with the tools you need to renew and refresh your relationship with God.
