**Beneath the Silence** Charlene Carr,2015-07-07 Secrets have consequences. If given the power, they will lead you into a life you never dreamed of or wanted. Brooke Lake is a girl caught in a town and a life she yearns to escape. Full of anger, fear, and questions without answers, she runs from her problems only to lose herself in a world that's too much for her. Molly Shirley is a woman without a past and no foreseeable future. Her body is her best commodity, so she does whatever she has to do to survive. Broken by lies, Brooke and Molly must explore the parts of themselves they would rather keep secret. Only by confronting the past can they develop the strength to create a life of their own making—a life where love and forgiveness never come too late. An intriguing drama that both repels and magnetizes the reader to the page, *Beneath the Silence* follows the story of a woman's struggle to make sense of a dark world. Explore the hold of the past in this gripping novel and witness the strength it takes to break free from pain and create a life worth living.

[Dating Big Bird](#) Laura Zigman,2012-11-07 Ellen Franck isn't in love with Big Bird. After all, he's a big yellow Sesame Street character -- and she's an intelligent single woman with a fabulous job. On the other hand, Big Bird is looking like a better candidate for fatherhood every day: he's tall, affectionate, and steadily employed. And right now, for Ellen, thirty-five years old and dying to have a baby, almost any father will do. In her hilarious and heartbreaking new novel, Laura Zigman, bestselling author of *Animal Husbandry*, explores what happens when the life we've chosen isn't that life we expected it to be. And at this point Ellen Franck is rethinking all her choices. Mired in a relationship with a man who is better at brooding than breeding, sister to a woman who can't seem to stop having babies, and working under a boss who is about to have the baby shower of the decade, Ellen knows the path to motherhood is clear. All she has to do is leave her relationship, horrify her family, find an anonymous father, and become independently wealthy. Piece of cake.
