Better Than Fiction 2 Dave Eggers, Sophie Cunningham, M. J. Hyland, Lloyd Jones, Fiona Kidman, Marina Lewycka, Alexander McCall Smith, D. B. C. Pierre, Francine Prose, Jane Smiley, 2015-11-01 From Lonely Planet, the world's leading travel guide publisher, Better Than Fiction 2, the follow-up to 2012's Better Than Fiction, is a second serving of true travel stories told by some of the world's best fiction writers including Dave Eggers, Jane Smiley and Karen Joy Fowler. Varied in place, plot and voice, these are stirring and evocative pieces that all share one common characteristic—they manifest a passion for the precious gift of travel, from its unexpected but inevitably enriching lessons about other peoples and places, to the truths, sometimes uncomfortable but always enlarging, it reveals about ourselves. By turns comic, dramatic, and moving - from Francine Prose's confrontation of the mysteries of India to DBC Pierre's search for Hemingway's muse in Italy - these 30 short tales reveal the joys, perils, and surprises of travel, and that truth can often be stranger (and better) than fiction. Whether on a plane en route to your own travel adventure, or at home settling in for a vicarious experience of world adventures, embark on this literary journey around the world and explore your passion for travel now! Travel Writing, Form, and Empire Julia Kuehn, Paul Smethurst, 2008-11-19 This collection of essays is an important contribution to travel writing studies -- looking beyond the explicitly political questions of postcolonial and gender discourses, it considers the form, poetics, institutions and reception of travel writing in the history of empire and its aftermath. Starting from the premise that travel writing studies has received much of its impetus and theoretical input from the sometimes overgeneralized precepts of postcolonial studies and gender studies, this collection aims to explore more widely and more locally the expression of imperialist discourse in travel writing, and also to locate within contemporary travel writing attempts to evade or re-engage with the power politics of such discourse. There is a double focus then to explore further postcolonial theory in European travel writing (Anglophone, Francophone and Hispanic), and to trace the emergence of postcolonial forms of travel writing. The thread that draws the two halves of the collection together is an interest in form and relations between form and travel.
