Helping Without Hurting in Church Benevolence Steve Corbett, Brian Fikkert, 2015-09-22 When a low-income person asks your church for help, what do you do next? God is extraordinarily generous, and our churches should be, too. From the authors of *When Helping Hurts* comes *Helping Without Hurting in Church Benevolence*, a guidebook for church staff, deacons, or volunteers who work with low-income people. Short and to the point, this tool provides foundational principles for poverty alleviation and then addresses practical matters, like: How to structure and focus your benevolence work How to respond to immediate needs while pursuing long-term solutions How to mobilize your church to walk with low-income people With practical stories, forms, and tools for churches to use, *Helping Without Hurting in Church Benevolence* is an all-in-one guide for church leaders and laypeople who want to help the poor in ways that lead to lasting change.

The Jesus Lifestyle Nicky Gumbel, 2018-05-03 What does living as a Christian really look like? What changes do I need to make to the way I live my life? How does Jesus want me to live? The Sermon on the Mount is Jesus' teaching on how to conduct our lives. While his original audience was a crowd of first-century Jews, his words are astutely relevant to 21st century living, particularly as modern Western cultural trends are increasingly at odds with Jesus' teaching. Laid out to follow the structure of Matthew 5-7, each chapter delves into the topics raised in these verses, including: - Dealing with anger - Handling conflict and criticism - Managing money - Sex, marriage and divorce - The secret of true happiness With his familiar mix of wisdom and humour, Nicky Gumbel explains Jesus' teaching and presents practical ways to apply it so Christians can follow Jesus in every aspect of their lives.

Love Your Church Tony Merida,2021-06-01 How to grow in love for your church. God calls us to be devoted to one another in love (Romans 12:10). What does this look like for us today? How can we be the kind of church member who makes a real difference? This engaging book by Tony Merida explores what church is, why being part of it is exciting, and why it's worthy of our love and commitment. He sets out eight privileges and responsibilities of a church member: to belong, to welcome, to gather, to care, to serve, to honour, to witness and to send. As we see how wonderful it is to belong to God's family and be a part of his amazing witness to both the earthly and the heavenly realms, we'll grow in our love for and commitment to our local church. This is a great book for every churchgoer to read, whether they're new or have been attending for some time but need re-energising with God's vision for the local church. With a discussion guide at the end of the book, Love Your Church is also a great resource for small groups.

The Old Testament in the New Testament J. Lionel North,2000-01-01 This collection of papers from members of the 'Use of the Old Testament in the New Testament' seminar (held at St Deiniol's, Hawarden, Wales) has been commissioned to honour its retiring chairperson, J.L. North. It includes contributions by Michael Goulder (Isaiah 61), Joel Marcus (Matthew), Maurice Casey (Christology), George Brooke (Parables), Judith Lieu (John), Peter Doble (Acts), Morna Hooker (Philippians), John O'Neill (Galatians), Ivor Jones (2 Thessalonians), Martin Menken (Matthew) and Steve Moyise (Intertextuality). BLURB AS REWRITTEN BY PRD 11 JANUARY 2000: It is well known, but not always appreciated that the 'Bible' of the earliest Christians was the Old Testament. How did the New Testament writers justify their faith in the risen Messiah from these Jewish scriptures? In this book, distinguished biblical scholars supply answers to these questions, both in general terms and from specific examples. Under review come individual New Testament writers (Matthew, Paul, John) and important themes (the Anointed One, monogamy and divorce), while crucial passages such as John 11, Isaiah 66 and Revelation 12 are put under the microscope. This collection demonstrates the ingenuity and vitality of early Christian scriptural exegesis, and offers the reader an up to date picture of the most recent research in one of the central issues of New Testament literary and theological study.

A Hunger for God John Piper, 2013-04-23 There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: This much, O God, I want you. Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great. If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.
