*Kyra's Canine Conditioning* Kyra Sundance,2019-02-05 Kyra's Canine Conditioning is designed to build on important life skills, such as confidence, strength, coordination, mental focus, and following directions. Featuring all new material, world-renowned trainer Kyra Sundance introduces activities that will strengthen each of these skills in your dog. Learn innovative ways to work with props, such as hoops, balls, FitPAWS inflatables, and Klimb pedestals. Through this book, you will: learn how to evaluate a dog's physiology, and develop and execute a customized conditioning plan. acquire the skills to improve a dog's fitness through five components: coordination, stamina, balance, strength, and flexibility. improve a dog's confidence, mental focus, and direction-following skills through targeted games. Physical fitness is just as important for dogs as it is for people. Keeping dogs fit and healthy can increase their lifespan and limit vet visits as they get older. It reduces the risk of sports-related injury, joint problems, and arthritis. Dogs who are conditioned and healthy tend to live happier and more playful lives. A program of games and canine conditioning makes fitness fun for both you and your dog! This program conditions dogs through a series of games that are both a great physical foundation for dogs who want to pursue sports and a great way to easily condition dogs that are your average couch potato. Through these conditioning games, you will see a physical and mental transformation in your dog. Thanks to the versatility of the games, a dog of any age can improve their health and fitness. Puppies can benefit from the coordination, confidence, and mental focus games while elderly dogs can work on their strength, balance, and direction-following skills. There is something for every owner and every dog. These games challenge your dog to experiment with different ideas to accomplish a goal. Your dog will get the exercise they need while building stamina, balance, hind end coordination, mental focus, and improving their overall athletic skills. Working cooperatively with your dog in a positive way will be a wonderful bonding experience, and your dog will bask in your attention and pride in him. This book will educate you on dog physiology, and ways to stretch and condition a dog, but it is not meant as a replacement for veterinary advice or diagnosis. Understand the boundaries of your role as a coach, and refer

dogs to the proper medical and professional specialists when needed.

**The Three Impostors** Arthur Machen,1895 The Three Impostors; or, The Transmutations is an episodic horror novel by British writer Arthur Machen, first published in 1895 in The Bodley Head's Keynote Series. It was revived in paperback by Ballantine Books as the forty-eighth volume of the Ballantine Adult Fantasy series in June 1972. The novel comprises several weird tales and culminates in a final denouement of deadly horror, connected with a secret society devoted to debauched pagan rites. The three impostors of the title are members of this society who weave a web of deception in the streets of London-relating the aforementioned weird tales in the process-as they search for a missing Roman coin commemorating an infamous orgy by the Emperor Tiberius and close in on their prey: the young man with spectacles.
